

PreventaPest Limited

National Pest Technicians Association

in aid of

CANCER RESEARCH UK

February 09

To Whom It May Concern:

We at PreventaPest Limited, like so many others, have been affected by Cancer and have decided to hold a fundraising event in aid of Cancer Research UK this September 19th.

In order for us to have a successful event we are asking many many people for their support by way of a donation. We are holding a raffle and an auction at our event in September at the Best Western Diplomat Hotel in Felinfoel, Llanelli, South Wales so all donations would be put to good use in raising much needed funds for the great work of Cancer Research UK.

If you would be interested in joining us for our fundraising evening tickets are available at £300.00 for a table of ten or £30.00 for individuals, please note individuals will be seated in groups of ten.

As well as the raffle and auction we will be enjoying a four course meal. live entertainment and a vital message from a representative of Cancer Research UK.

Interest for this event is already proving to be high and therefore don't hesitate in booking your tickets as space is limited.

Every penny raised from our event will go to our cause of support for this vital research.

If you like further information regarding this letter and or the event in September please do not hesitate to contact us.

Please excuse our temerity in contacting you in this manner but we truly hope you will be able to support us.

Many thanks,

Huw, Barbara & Adam Richards
